

## Group Research Presentation

Each group is expected to research the assigned topic and prepare a presentation to share in class. Presentations will begin in week 13 and continue until the end of the semester, with specific dates for each group to be announced soon.

This is a group assignment and every member in the group should be actively involved.

The presentation should cover at least the following sections:

Introduction, Research Challenges, Approach, Evaluation Results, Future Work, and References

Every group must submit the presentation file prior to the presentation date.
